

# Searching the Internet

**Step 1** – Select your favorite search engine

- Google
- Yahoo
- Yahoo!igans
- All the Web
- Alta Vista
- Sherlock
- Other \_\_\_\_\_

**Step 2** – List a topic you will teach in the next six weeks. Use two or three words to describe the topic. (e.g.; civil war or civil war battles)

---

---

**Step 3** – Use your favorite search engine to look for the topic listed above. Record the number of pages found and the name of the first two pages listed in the search results.

---

---

**Step 4** – Look for the exact same topic using the clustering engine found at: <http://vivisimo.com/> Compare the differences in your two searches.

---

---

---

---

**Step 5** – List your favorite search engine

- Vivisimo
- Other \_\_\_\_\_
