

# Common Core Mathematics Practice for Grade 3

CCSS.Math.Content.3.MD.A.1 - Worksheet #10851

Name: \_\_\_\_\_

Standard: **CCSS.Math.Content.3.MD.A.1**

Description: Tell and write time to the nearest minute and measure time intervals in minutes. Solve word problems involving addition and subtraction of time intervals in minutes, e.g., by representing the problem on a number line diagram.

## Word Problems: Time to Minutes Within Hour:

|                                                                                                                                                                     |                                                                                                                                                   |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>1.</b><br/>Anthony is shopping for groceries. He finished at 2:54 after 36 minutes. When did he start?</p>                                                    | <p><b>6.</b><br/>Nathan is fishing. He starts at 6:30 and continues fishing for 27 minutes. When did he finish?</p>                               |
| <p><b>2.</b><br/>Hannah is playing wall ball for lacrosse. She starts at 3:36 and continues playing wall ball for lacrosse for 39 minutes. When did she finish?</p> | <p><b>7.</b><br/>Parker is baking cookies. He starts at 12:28 and continues baking cookies for 53 minutes. When did he finish?</p>                |
| <p><b>3.</b><br/>Wyatt is walking his dog. He finished at 9:35 after 20 minutes. When did he start?</p>                                                             | <p><b>8.</b><br/>Reese is listening to music. She starts at 10:11 and continues listening to music for 22 minutes. When did she finish?</p>       |
